

Our School Mission and Core Values

We will Share Jesus

- Our first responses are to pray and seek His counsel.
- "Jesus Spoken Here"

We Will Build Connections with Families and Team

- We will daily greet every child and family by name and with a smile!
- We will maintain and advocate a culture of open and safe communication with genuine heart to heart connections.

We will foster a loving, accepting and welcoming environment where children are free to learn and express their individuality.

- We will encourage and accept everyone, respecting each individual personality because God designed us all differently.
- We will work to help teach each child according to their individual needs.
- We will treat families and children and team members with respect and love and kindness.

ABOUT OUR SCHOOL

At The Family of Faith Preschool, we are dedicated to nurturing young hearts and minds in a Christ-centered environment. We welcome children from 6 weeks through Pre-K, providing a foundation for lifelong learning through faith, play, and discovery. For families with older children, we offer before and after school care for K-5th Graders as well as Summer Camps. To support the well-being of every child, we provide breakfast, lunch and both AM & PM snacks—thoughtfully accommodating allergies and dietary restrictions. At The Family of Faith, every child is loved, valued, and encouraged to grow in both faith and knowledge.
